

I am going to a Sensory Friendly Concert™!

**The Sensory Friendly Concert is at the Landmark Center. We will enter the building at the big front doors.**

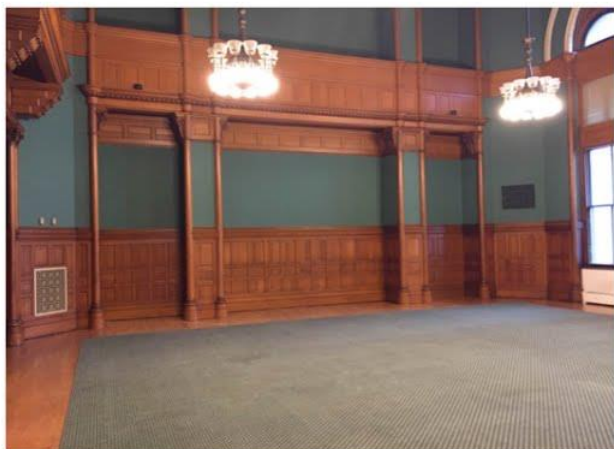

**The concert will be in the Court Room in Room 317. We can take the elevator or walk up the stairs to the 3<sup>rd</sup> floor.**

**When I find the Court Room, I will give my ticket to the usher, and find a place to sit inside.**

## I am going to a Sensory Friendly Concert™!

**During the concert, I will sit in my chair or on the floor. I can get up if my body needs to move. If I like loud noises, I can sit in front close to the musicians. If I like quiet noises, I can sit in the back, or ask for headphones.**

**The concert will have a group of musicians that play music from Mexico.**

I am going to a Sensory Friendly Concert™!

**After the concert is done, I can ask questions and look at instruments.**

**If I need help, I can ask for headphones, fidgets, scarves, or a ball to sit on. If I can't keep my body safe, I can get up and take a walk, or find a quiet room to sit in.**
