

Schubert Club Museum

Name: _____

Sound I Found

REFLECT

Pick an instrument. What instrument did you pick? How did it change *pitch* (high/low sounds)?:

Pick an instrument. What instrument did you pick? How did it change *dynamics* (loud/soft sounds)?:

CONNECT

Draw a line to connect the family of instruments to the way the instruments make sound.

String Family

Woodwind Family

Brass Family

Percussion Family

Buzz lips into a mouthpiece

Hit, hammer, beat, or shake

Pluck or bow strings

Blow into tube-like instruments with a reed

CREATE

Draw a picture of one way you made sound at the Schubert Club Museum

RATE

How many new instruments did you discover? _____

Circle the face that describes how you felt about discovering instruments and their sounds

My favorite part about the Schubert Club Museum was...
